

W Charitable Foundation Scholarship
for MSc Development Studies
Reference Form

Scholarship Candidates should complete Sections A and B before sending this form to the Referee.

A Personal Details

Surname (Family Name)* _____

Forename _____

**This is the name in which your Admissions application is registered.*

Address for Correspondence

Post Code _____ Telephone _____

Email _____

Admissions Reference Number _____
(if known)

B Notes to the Referee

The person named above has applied for a W Charitable Foundation Scholarship and has given your name for reference. Candidates must be intending to undertake the full-time MSc Development Studies programme.

Please complete the Referee Report (included with this Form) and return it to the candidate sealed in the attached envelope and signed across the seal. The candidate will forward this Reference Form and your Referee Report together within the envelope to the Scholarships Officer.

Alternatively, you may submit the reference directly to:

Scholarships Officer
Registry Office, SOAS
Thornhaugh Street
Russell Square
London
WC1H 0XG
United Kingdom

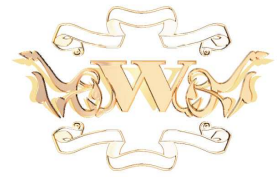

DEADLINES: Applications, including references, must be received by 5pm on 1 July 2008.

Only complete applications will be accepted. Incomplete applications will not be considered for a scholarship.

Thank you for your help.

W Charitable Foundation Scholarship for MSc Development Studies Referee Report

Please answer the following questions in a word processing programme or on a typewriter.

Please read the Notes to the Referee before completing this reference.

Quality of Work

- Please provide a realistic assessment of the candidate's abilities, based on the quality of his/her academic and/or professional performance to date.
- Please provide evidence to support your comments.
- Please indicate how this candidate compares with other students, in your experience and the degree level, approximate numbers and period involved in your assessment.

Previous Degree Performance

If there is an undergraduate degree examination outstanding, please provide some indication of the class of degree that you expect this candidate to obtain. If possible, a note of whether the result will be in the lower or upper section of the class predicted.

In the case of those students from universities outside Britain, please indicate if the candidate is in the top 5%, 10 %, 20 % or below of the graduating class.

Potential for Post-graduate Study

Please give your opinion on this candidate's academic and personal suitability for the proposed course of study and his/her potential to complete the programme. You may mention any relevant intellectual and practical skills and abilities the student possesses.
