Key issues

- Timing and duration
 - Regional integration; global markets
- Policy
 - PEDSA; PEDEC (Project for Nacala Corridor Economic Development Strategies)
 - Development and Regional plans (Beira and Nacala)
- Performance
 - Political perspective; Competence
- Human development
 - Environment, land, poverty

Direction of research

- Challenges mentioned are in many ways expected
- In meantime there are projects that are creating wealth and jobs, supporting smallholder farmers and improving productivity and reducing poverty
